From Heise Zeitschriften Verlag : c't Digital Photography Issue 10 (2013) before purchasing it in order to gauge whether or not it would be worth my time, and all praised c't Digital Photography Issue 10 (2013):

Full-frame vs. Medium Format: Since the Nikon D800 was released, the discussion about its true potential hasn't stopped for a moment. Can a full-frame camera that costs US\$3,300 really match the quality produced by the US\$16,000 Hasselblad H4D-40? What are the strengths and weaknesses of these two very different systems? Further Highlights of this Issue: Portfolio Frank Herfort; Composition in Black and White; The Big View from Below; Making the Most of Handheld Long Exposures; Developing Images using Blending Modes and Layer Techniques;

Dedicated Selection Tools; Budget RAW Processing with Photivo; WordPress for Photographers.
