From Heise Zeitschriften Verlag : c't Digital Photography Issue 13 (2013) before purchasing it in order to gage whether or not it would be worth my time, and all praised c't Digital Photography Issue 13 (2013):

Big cities are a real creative challenge. There is so much movement and so much to stimulate the senses in urban environments that it is considerably harder to compose good photos there than it is in quieter rural settings. Further Highlights of this Issue: Portfolio Lauren Marsolier; Photo Drones; Compact Camera Mega-Test; Tripod Test; Home Printing Workshop; Web Publishing with Koken; Accelerated Imaging.
