From Routledge : **Critical Dictionary of Film and Television Theory** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Critical Dictionary of Film and Television Theory:

The Critical Dictionary of Film and Television Theory clearly and accessibly explains the major theoretical approaches now deployed in the study of the moving image, as well as defining key theoretical terms. This dictionary provides readers with the conceptual apparatus to understand the often daunting language and terminology of screen studies. Entries include: *audience * Homi K. Bhabha * black cinema * the body * children and media * commodification * cop shows * deep focus * Umberto Eco * the gaze * Donna Haraway * bell hooks * infotainment * master narrative * medical dramas * morpheme * myth * panopticon * pastiche * pleasure * real time * social realism

* sponsorship * sport on television * subliminal * third cinema * virtual reality
