James Bau Graves : Cultural Democracy: The Arts, Community, and the Public Purpose before purchasing it in order to gage whether or not it would be worth my time, and all praised Cultural Democracy: The Arts, Community, and the Public Purpose:

0 of 0 people found the following review helpful. Four StarsBy Juliana BaioniExcellent book! Worth reading for those in the arts or arts management field.0 of 0 people found the following review helpful. Interesting ReadBy CustomerCultural Democracy give really good insight on cultures in America and the challenges we face as a nation. Good read to broaden your horizons.0 of 0 people found the following review helpful. Five StarsBy Tere H.Arrived as

promised!

Cultural Democracy explores the crisis of our national cultural vitality, as access to the arts becomes increasingly mediated by a handful of corporations and the narrow tastes of wealthy elites. Graves offers the concept of cultural democracy as corrective--an idea with important historic and contemporary validation, and an alternative pathway toward ethical cultural development that is part of a global shift in values. Drawing upon a range of scholarship and illustrative anecdotes from his own experiences with cultural programs in ethnically diverse communities, Graves explains in convincing detail the dynamics of how traditional and grassroots cultures may survive and thrive--or not--and what we can do to provide them opportunities equal to those of mainstream, Eurocentric culture.
