**Giovanni Iannoni : Cupids, Angels and Fantastic Creatures: A Treasury of Rococo Designs (Dover Pictorial Archive)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cupids, Angels and Fantastic Creatures: A Treasury of Rococo Designs (Dover Pictorial Archive):

Characterized by opulence, grace and playfulness, rococo designs are a complex mix of intricate patterns. This affordable treasury of fantastic ornament and design includes more than 100 illustrations of Rococo art. Mythological figures, angels, and cherubs in traditional poses abound--as do real and fanciful beasts and other images from nature. An excellent source of royalty-free illustrations for artists and designers, this collection of ornate frames,

panels, and borders is perfect for use in a number of graphic design projects--for enhancing printed messages, creating decorative labels, and fashioning exquisite collages, among other art and craft activities.
