Buyers be aware: images and contents are for the 1992 edition!!By A buyerThe images linked to this product are NOT for the 1969 edition (first-edition).0 of 0 people found the following review helpful. Four StarsBy Jie Z.My son likes it, and his piano teacher likes too.0 of 0 people found the following review helpful. Five StarsBy CustomerWonderful book.

This popular volume offers practical training in well-articulated pianistic passage work, particularly in playing the

virtuoso music of the romantic period. In addition to this, each study is a complete music composition, demanding attention to dynamics and phrasing. Students who master Opus 299 have indeed progressed a long way in the "school of velocity." Available in a 112-page complete volume or in two separate books.
