Wersquo;ve all had one of those days: you sleep through the three alarms yoursquo;ve set, you put your shirt on inside out, you burn your mouth on your coffee, and itrsquo;s only 9 a.m.! Daily Dishonesty pays homage to the little lies we tell ourselves just to make it through the day. Based on author Lauren Homrsquo;s work from the blog of the same title, the book features a colorful collection of 150+ funny lies, beautifully illustrated by Hom. Covering topics such as diets, breakups, friendship, growing up, slacking off, guilty pleasures, and more, these hand-lettered, sassy mantras are both relatable and tongue-in-cheek. Daily Dishonesty is a stylish and chic feel-good gift book that reveals, plays with, and makes light of lifersquo;s little quirks.
