Edmond Baudoin : Daliacute; (Art Masters) before purchasing it in order to gage whether or not it would be worth my time, and all praised Daliacute; (Art Masters):

0 of 1 people found the following review helpful. Came in great condition, and is a great book for anyone ...By Rachel G.Came in great condition, and is a great book for anyone who loves Dali and all things strange and wonderful in art. Would make a great gift and edition to any personal library.0 of 4 people found the following review helpful. i love Dali's work (or the work he claims) and i ...By Mark Ashtoni love Dali's work (or the work he claims) and i thought this might be fun way to look at other aspects of the work, but this was just offensive. returned it

The remarkable life of Salvador Daliacute; - in graphic novel form Was he a madman, a genius or an exhibitionist? There is no shortage of labels for the Surrealist painter Salvador Daliacute;;, as well known for his acts of public

bravado as for his extraordinary work. Edmond Baudoin, one of the most original talents in contemporary French comics, sets out to discover the man behind the myth. What emerges is a heartfelt and inimitable account of two artistic worlds, each possessed of its own rare intensity, meeting for the first time. Commissioned by the Pompidou Centre in Paris, *Daliacute;* is a rigorously researched and absorbing portrait of a singular artist and an enigmatic man. "The magic of the surrealist artist is lovingly captured by award-winning French artist and writer Edmond Baudoin" —Starburst

About the Author Edmond Baudoin is an award-winning graphic novelist. In a career spanning 40 years, he has published numerous graphic novels to broad acclaim. Baudoin abandoned a career as an accountant to become one of France's foremost comics artists. He lives in France.
