Margaret N. H'Doubler : Dance: A Creative Art Experience before purchasing it in order to gage whether or not it would be worth my time, and all praised Dance: A Creative Art Experience:

1 of 2 people found the following review helpful. Really enjoyed this readBy SatisfiederI truly love the writing in this book. It's also making me love the idea of teaching dance. I was very skeptical, but this makes me very proud to be a part of both the dance and teaching world.1 of 2 people found the following review helpful. Four StarsBy KayIt was not the same as the picture, but it was the correct book I needed for school.3 of 9 people found the following review helpful. written before it's time...By A Customerbrilliant, true and a rare gem. Dance is an up-and-coming art experience that will soon be genuinely valued.

A landmark book in dance education is now back in print, its message as valid today as it was more than fifty years ago

"Teachers and students of the dance will find the help to the answers of the question 'why dance?'"mdash;Physical Educator" As a dance pioneer, Margaret H'Doubler combines both vision and down-to-earth practicality. It is she who established dance as a part of the college curriculum, organized the first campus performing group, and set up the first college degree program in dance."mdash;Dance Magazine" H'Doubler's book is the work of a scientist of dance, and so well does she present her plea for universal dance training that she certainly deserves the full attention and respect of both parent and teacher."mdash;Walter Terry About the Author nbsp; nbsp; nbsp; nbsp; Margaret N. Hrsquo; Doubler (1889ndash;1982) was professor of dance at the University of Wisconsin, where she taught for forty-four years. In 1926 she established the first dance major in the country in 1926 and profoundly influenced the way dance is taught in schools and universities today. She wrote four books and received numerous honors, including the 1965 Dance Magazine Award. nbsp; nbsp; nbsp; nbsp; Mary Alice Brennan is professor of dance at the University of Wisconsinndash;Madison.
