**From Routledge : Dancing Female: 12.0.1 (Choreography and Dance Studies Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dancing Female: 12.0.1 (Choreography and Dance Studies Series):

0 of 0 people found the following review helpful. Five StarsBy SylviaEXCELLENT!

First Published in 1997. Routledge is an imprint of Taylor Francis, an informa company.

"A sweeping account of the field of dance from the perspective of women...provides an interesting and eclectic look at how women create, teach, direct, perform, and write about dance....Well researched and documented, and should be of

great interest to established dancers as well as newcomers."-CHOICE "Friedler and Glazer's book is a collection of 23 essays that...cover a diverse range of topics including dance education, dance history, and contemporary practice....A relatively conservative, humanist approach to feminist scholarship."-The Drama "The book covers a wide range of topics...carefully and thoughtfully edited with well-written prefixes to chapters....What is most refreshing is that the editors give equal status and air space to educators, administrators, and writers as they do to dancers and choreographers....Pertinent to all involved in dance and gender issues."-New Theatre Quarterly
