Kathy Davis : Dancing Tango: Passionate Encounters in a Globalizing World before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dancing Tango: Passionate Encounters in a Globalizing World:

Argentine tango is a global phenomenon. Since its origin among immigrants from the slums of Buenos Aires and Montevideo, it has crossed and re-crossed many borders. Yet, never before has tango been danced by so many people

and in so many different places as today. Argentinean tango is more than a specific music and style of dancing. It is also a cultural imaginary which embodies intense passion, hyper-heterosexuality, and dangerous exoticism. In the wake of its latest revival, tango has become both a cultural symbol of Argentinean national identity and a transnational cultural space in which a modest, yet growing number of dancers from different parts of the globe meet on the dance floor.
