Great book by one of Nashville's best guitaristsBy KevinAwesome training by a great upcoming virtuoso who is one of the best players here in Nashville. He's also a great young man with a great heart. Danny teaches big concepts, unlike so many other training series that just teach licks but no big picture concept. It does have full tabs though to help.0 of 0 people found the following review helpful. Four StarsBy CustomerGood book with some interesting licks.0 of 0 people found the following review helpful.
