Judith Lynne Hanna : Naked Truth before purchasing it in order to gauge whether or not it would be worth my time, and all praised Naked Truth:

SommerThis book contains a lot of great ammunition for opposing the false claims of the intolerant zealots who want to impose their morality on others and limit people's entertainment and lifestyle choices.1 of 1 people found the following review helpful. very good bookBy David Beardproduct came brand new, prompt shipping and wonderful item. I wish more things would make people see that not everything is black and white0 of 2 people found the following review helpful. InterestingBy E. D. KellyThis relates to my work, and Dr. Hanna and I have somewhat different views of the sex industry -- so I find

much with which to disagree. But it is nicely presented.

Across America, strip clubs have come under attack by a politically aggressive segment of the Christian Right. Using plausible-sounding but factually untrue arguments about the harmful effects of strip clubs on their communities, the Christian Right has stoked public outrage and incited local and state governments to impose onerous restrictions on the clubs with the intent of dismantling the exotic dance industry. But an even larger agenda is at work, according to Judith Lynne Hanna. In *Naked Truth*, she builds a convincing case that the attack on exotic dance is part of the activist Christian Right's "grand design" to supplant constitutional democracy in America with a Bible-based theocracy. Hanna takes readers onstage, backstage, and into the community and courts to reveal the conflicts, charges, and realities that are playing out at the intersection of erotic fantasy, religion, politics, and law. She explains why exotic dance is a legitimate form of artistic communication and debunks the many myths and untruths that the Christian Right uses to fight strip clubs. Hanna also demonstrates that while the fight happens at the local level, it is part of a national campaign to regulate sexuality and punish those who do not adhere to Scripture-based moral values. Ultimately, she argues, the naked truth is that the separation of church and state is under siege and our civil liberties—free speech, women's rights, and free enterprise—are at stake.
