Rebecca Sullivan : Natalie Wood (Film Stars) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Natalie Wood (Film Stars):

2 of 5 people found the following review helpful. One StarBy PatriciaAppeared to have noticeable bias toward her subject.

A lucid and engaging study of the enigmatic stardom of Natalie Wood, locating her star persona in the changing production contexts of Hollywood and in the shifting perceptions of female sexuality and agency. This persuasive text seeks to rectify her neglected career by throwing light on her contributions to Hollywood both as an actor and as a star.
