Beautiful Photographic Images, Neat FactsBy Kindle CustomerAn excellent children's book, filled with beautiful images of the various ethnic peoples of Europe and its most iconic structures. Children will love this book!!!0 of 0 people found the following review helpful. Beyond simple.By Kindle CustomerPictures needed captions with information about what was depicted in them. Otherwise, pretty book with useful information about Europe as a continent.0 of 0 people found the following review helpful. Three StarsBy P MyersBeautiful pictures, but of what? There is not much information about the photos.

Children enjoy learning about cultures that differ from what they are accustomed to. A Nations of Europe picture book opens the door to new experiences, and introduces children to new ideas and concepts through learning about the differences and commonalities between nations. Exposing children to other customs, languages, types of government, and landscapes broadens their horizons and increases their open-mindedness. A picture book can be used as a gateway vehicle to enhancing a child's international education and provide a foundation for acceptance and tolerance of other cultures. A Nations of Europe book can help children understand a portion of the world apart from our own nation.
