Lyndon Penner : Native Plants for the Short Season Yard: Best Picks for the Chinook and Canadian Prairie Zones before purchasing it in order to gauge whether or not it would be worth my time, and all praised Native Plants for the Short Season Yard: Best Picks for the Chinook and Canadian Prairie Zones:

0 of 0 people found the following review helpful. An absolute must-have reference in your garden library!By Sheryl NormandeauIf you're looking to introduce reliable and hardy plants to your short-season garden; plants that will actually THRIVE in the Chinook belt and on the Prairies; this is your indispensable guide. Lyndon

Penner's new book, *Native Plants for the Short Season Yard*, offers everything you need to know about selecting and growing beautiful native plants; and he does so with a wealth of experience and wisdom. Practical and accessible for gardeners of every level of expertise, *Native Plants for the Short Season Yard*, is an absolute must-have reference in your garden library!

This is the definitive guide to gardening with native plants on the prairies. Gardening with native plants has lots of advantages, not only for your yard, but also for the ecosystem. What could be better than a beautiful, low-maintenance yard that preserves biodiversity and withstands the prairie climate? *Native Plants for the Short Season Yard* is the key for western Canadian gardeners wanting to unlock the full potential of native plants. With the wit and wisdom his fans love, Lyndon shares the basics of shopping for, propagating, and designing with native plants. He also shines a light on more than 100 of his favourite native plants, along with tips on how to grow them. Topics include: How to ethically and responsibly grow native plants from seeds and cuttings. Identifying the best plants for sunny, shady, wet, or dry spots in your yard. The plants best left to wild spaces and those you should avoid at all costs. Advice from gardening experts who share their secrets and successes with native plants. Protecting your garden with natural alternatives to herbicides and pesticides.

I predict that this book will really make a difference to the appreciation, preservation and utilization of native plants on the prairies. (Alberta Horticultural Association) About the Author Popular radio gardening columnist, horticultural consultant, and professional landscape designer Lyndon Penner has been gardening since the age of three. He appears frequently as a guest speaker at universities, colleges, and gardening associations in western Canada. He is also the author of *The Chinook Short Season Yard*, *The Prairie Short Season Yard*, and *Garden Design for the Short Season Yard*.
