Gavin Schmitt : Neenah (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Neenah (Images of America):

1 of 1 people found the following review helpful. A great look at small-town life. By Steve Hanson I really enjoyed this book. I grew up in Neenah and found the pictures of things that I remembered that are no longer there exciting. Even more I enjoyed the things that were not within my memory. I was particularly delighted to see a picture of my grandmother making cigars in a cigar factory in Neenah (despite her being way in the back of the picture and the fact that her name was mis-spelled). Anyone wanting to look at a great selection of photos from a small but important Wisconsin city will enjoy this book. 0 of 0 people found the following review helpful. Fabulous to have my hometown recorded like this. thanks so By C. L. White This was worth the price for one picture alone: the front of the rec building

where we went swimming as kids. Fabulous to have my hometown recorded like this. thanks so much

Neenah rests in the heart of the Fox Valley, positioned between Appleton and Oshkosh. The city sits at the junction of Lake Winnebago and the Fox River, which has always been central to its draw for both recreation and business. Flour and paper milling utilized the river's powerful flow and brought Neenah's biggest booms. The successes of paper mills such as Neenah Paper, which opened in 1866, and the Kimberly-Clark Corporation, which opened in 1872, led to the natural development of the "Paper City" nickname. Today, industry continues to flourish in Neenah. The region has become a hub for several major corporations with broad, international reach, yet lifelong residents remain the true community heroes. Vintage photographs highlight the notable lifestyles of Bergstrom, Aylward, and Mahler, as well as the day-to-day activities of shopkeepers, churchgoers, factory workers, teachers, deliverymen, bankers, politicians, craftsmen, and other locals who were better known as friends or neighbors. Featuring both the storefronts and aisles of popular establishments such as Krueger Hardware, Jandrey's department store, and Burts Candies, this book invites readers to take a trip down memory lane. ?.

About the Author: Images of America: Neenah captures history through the lens of Gavin Schmitt, a Neenah resident and a volunteer for the Neenah Historical Society. Showcasing images from the Neenah Library and more, Schmitt presents a vivid history of the Paper City
