What are publishers thinking when they release this sort of product? Does the actual musician ok the release of something like this? More to the point, what was I thinking? ...This is the only NY tablature book on the market that looked reputable....3 of 3 people found the following review helpful. Mostly easy to play guitar music.By D. R. LescarbeauThis is a good beginner to intermediate musical compilation of many of Neil Young's popular songs. It is missing a couple that i was hoping would be included like Tell Me Why, On the Way

Home and I Am A Child. 1 of 1 people found the following review helpful. Good Buy - Makes a Great Gift By Thomas It is a small book, as it only contains a handful of songs (from the Greatest Hits album); however, they are very easy to learn and have step-by-step instructions for strumming patterns and grids for learning new chords. I highly recommend it for any guitar/Neil Young lover.

(Easy Guitar). Now even beginning guitarists can play 16 Neil Young classics!
