From Palgrave Macmillan : Neoliberal Urban Policy and the Transformation of the City: Reshaping Dublin before purchasing it in order to gauge whether or not it would be worth my time, and all praised Neoliberal Urban Policy and the Transformation of the City: Reshaping Dublin:

This book reviews the character and impacts of 'actually-existing' neoliberalism in Ireland. It examines the property-development boom and its legacy, the impacts of neoliberal urban policy in reshaping the city, public resistance to the new urban policy and highlights salient points to be drawn from the Irish experience of neoliberalism.
