**G. Aguilar : New Argentine Film: Other Worlds (New Directions in Latino American Cultures)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Argentine Film: Other Worlds (New Directions in Latino American Cultures):

Respected film critic Gonzalo Aguilar offers a lucid and sophisticated analysis of Argentine films of the last decade. This is the most complete and up-to-date work in English to examine the "new Argentine cinema" phenomenon. Aguilar looks at highly relevant films, including recent award-winners at all of the major festivals.
