Hal Leonard Corporation : New Illustrated Treasury of Disney Songs before purchasing it in order to gauge whether or not it would be worth my time, and all praised New Illustrated Treasury of Disney Songs:

33 of 33 people found the following review helpful. this book is lots of fun
By F. Taylor
This Disney song book is fun and easy to play. It's not a fake book but the songs are sort of shortened, which I didn't like very much. However, it's still a great book. There is a history of how they included music into the Disney movies and cartoons. There are even songs to the Disney afternoon cartoons. There are a few full paged illustrations and each song title has a illustration next to it. I definitely recommend this book to Disney song lovers out there.
0 of 0 people found the following review helpful. Does not contain full notated songs
By flashylassie1
I am a music teacher and I bought this to use with my young singers. The music tends to only go through one verse and one chorus, then includes the other verses, bridges etc only in text at the end of the song. No second endings, much of the notation for the songs are completely left out. Returning.

By Simrah
I'm one of the biggest Disney fans

you will every meet. I bought this book because of how passionate I am about Disney and I definitely recommend it. The piano is for someone who has been playing for a long time and knows how to transpose the music according to how the singer may sing it. Otherwise a very fun book with interesting facts about Disney and loads of songs to choose from!

(Piano/Vocal/Guitar Songbook). This magnificent 6th edition collection is a Disney lover's dream come true! It is a guided tour through the many legendary years of Disney music, from "Minnie's Yoo Hoo" in 1930 up through "We're All in This Together" from High School Musical . The book begins with an extensive musical history of Disney, followed by beautiful piano/vocal arrangements of 68 Disney classics. Songs include: The Bare Necessities * Beauty and the Beast * Breaking Free * Circle of Life * Go the Distance * It's a Small World * Look Through My Eyes * Mickey Mouse March * Reflection * Some Day My Prince Will Come * Under the Sea * When You Wish upon a Star * A Whole New World * Winnie the Pooh * You've Got a Friend in Me * You Are the Music in Me * Zip-A-Dee-Doo-Dah * and more.

About the AuthorFounded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.
