Peter T. Lubrecht : New Jersey Hessians: Truth and Lore in the American Revolution (American Legends) before purchasing it in order to gage whether or not it would be worth my time, and all praised New Jersey Hessians: Truth and Lore in the American Revolution (American Legends):

0 of 0 people found the following review helpful. Five StarsBy cc bunchgreat0 of 0 people found the following review helpful. Some Good Information; But, Confused and ConfusingBy Theodore F. SchaafThis book attempts to look at Hessian soldiers hired by the British from German principalities. Although; there is some interesting information in

general found the book fragmentary, confused and confusing. The book has a reasonable number of citations. But, much of the information on interactions of Hessian prisoners and deserters appears unconvincing with little background on the sources.

During the American Revolution, Great Britain hired thirty thousand German troops to fight rebellious colonists. Five thousand of those troops marched across New Jersey from Princeton and Trenton all the way to the northern tip of Sussex County. Though popular legend would cast them as cold and vicious mercenaries, many were prisoners of war with little choice. Stories of their exploits still circulate in New Jersey, from the headless Hessian of the Morristown Swamp to the mysterious Ramapo Mountain people. Join author Pete Lubrecht as he navigates the myth of Hessian troops in New Jersey to separate fiction from fact.

About the Author Peter Lubrecht is the program chairman and a trustee for the Sussex County Historical Society and Museum and for the Colonel Henry Ryerson Civil War Round Table. He is an adjunct professor at Warren County Community College and a member of the Germania Park Gesang and Schul Verein, as well as the Henry Muhlenberg Chapter of the Steuben Society of America.
