Patricia A. Favata : Newburgh: The Heart of the City (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Newburgh: The Heart of the City (Images of America):

0 of 0 people found the following review helpful. A Walk Down Memory LaneBy Joyce NenniI was born in Newburgh and have always lived in the area..so this book means a lot to me. I've had the book for quite a while and bought this one for my sister, who enjoys it as well. We love to go through it together and share all the memories that come to mind. We not only remember the places in the pictures, but knew many of the people photographed as well. I love it!0 of 0 people found the following review helpful. Five StarsBy Dennis SullivanPerfect

Newburgh: The Heart of the City focuses on one of the widest thoroughfares in the Northeast, Broadway, the main street in Newburgh, measuring one hundred thirty-two feet across. Known as "the heart of the city," Broadway was the activity center in the twentieth century. It was lined with government offices, commercial and business enterprises,

schools, churches, restaurants, firehouses, farms, fortune-tellers, and entertainment and recreational establishments. Broadway was not only the street of everyman but also the street of presidents, playing host to both Franklin D. Roosevelt and John F. Kennedy.
