**Selma Jeanne Cohen : Next Week, Swan Lake: Reflections on Dance and Dances** before purchasing it in order to gage whether or not it would be worth my time, and all praised Next Week, Swan Lake: Reflections on Dance and Dances:

An important book of essays on ldquo;dance and ideas about dancercdquo;

"The philosophers and writers on esthetics quoted by Miss Cohen, whether they are commenting on dance or other art forms, do not...always serve the needs of a universal definition for dance. It is this awareness of the need for particularization in dance theory that makes Miss Cohen's book so refreshing."--Anna Kisselgoff, The New York Times
