Roz Kaveney : Nip/Tuck: Television that Gets under Your Skin (Reading Contemporary Television) before purchasing it in order to gage whether or not it would be worth my time, and all praised Nip/Tuck: Television that Gets under Your Skin (Reading Contemporary Television):

1 of 1 people found the following review helpful. Perfect for the Nip/Tuck diehard.By Lyle HorowitzGreat insight into

the show. If you're a fan, this book is a must buy. Hope they do one for Ryan Murphy's new brainchild, American Horror Story. This book helps unpack all of the themes and symbolism of the show in an easy to follow guide.

Promoted as a 'disturbingly perfect' and 'deeply shallow' television drama and created by Ryan Murphy, who is also behind the teen musical show Glee, Nip/Tuck has been one of the most popular and controversial shows on cable TV. The misadventures and soap opera-esque entanglements of the lives of plastic surgeons Christian Troy (Julian McMahon) and Sean McNamara (Dylan Walsh) won Golden Globes and boycotts from the American Family Association. Yet, as this first full critical examination of Nip/Tuck shows, ironically the show is an examination of the American family and its many definitions, anxieties and complications of gender and sexuality, and the class issues and illusions surrounding the American dream. It is also revealed as a glorious televisual melodrama, full of Gothic tropes and contemporary sensationalism and at the same time, a deeply misanthropic satire on the American dream with a sometimes highly problematic portrayal of women and minorities. The book also features an interview with frequent Nip/Tuck director Elodie Keene and an episode guide.

About the Author Roz Kaveney is a cultural commentator and reviewer. She is editor of Reading the Vampire Slayer; author of From Alien to the Matrix, Teen Dreams, and Superheroes!; and co-author of Battlestar Galactica. She lives in London.
