**Nirvana : Nirvana Songbook (Guitar Chord Songbooks)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Nirvana Songbook (Guitar Chord Songbooks):

0 of 0 people found the following review helpful. Good reference book.By ConnorThis a good reference book for a rhythm guitarist. However, I would like to remark that many of the lyrics are off and some of the music seems to be similarly mistranscribed. Additionally, It does not include tablature for melodies as some other reviewers have remarked.1 of 1 people found the following review helpful. great variety of songsBy Jessica UngerMy daughter is a beginner, and her instructor really likes this book. It's easy to read, and she is having a lot of fun. It's really cool to see
