**Clinton Heylin : No More Sad Refrains: The Life and Times of Sandy Denny** before purchasing it in order to gauge whether or not it would be worth my time, and all praised No More Sad Refrains: The Life and Times of Sandy Denny:

4 of 6 people found the following review helpful. Very informative and EnlighteningBy R.Scott BoundyIn the US Sandy Denny never achieved the recognition she richly deserved. Her work with The Strawbs, Fairport Convention and Fotheringay has been sadly unheralded. Not to mention her career as a solo artist. She is better known for having written "Who Knows Where The Time Goes" than for having sung it. Most people would not even know who she is unless told "you know, the girl who sang on Zeppelin's "The Battle of Evermore". This is all very sad because Sandy

Denny was a unique and beautiful talent who died too young. Clinton Heylin does a fantastic job of bringing Sandy to light and revealing her as she was, good, bad, ugly, beautiful, sad, lonely, and talented. I was deeply moved by her story and her music has gained new meaning and depth. Listen, Listen. 2 of 4 people found the following review helpful. very well written, and sad. By patty We all think being a music star is great, but it has its downs and sandy had quite a few. 0 of 3 people found the following review helpful. otherwise very happy with this purchase. By mrknighterrant Can't wait to read this. Arrived with one dinged corner due to mediocre packaging, otherwise very happy with this purchase.

Clinton Heylin's biography *No More Sad Refrains*, draws on hours of interviews with Sandy's closest friends and musical collaborators, access to her diaries and unreleased work, to produce a moving portrait of a complex, driven, but fatally flawed genius, who remains the finest female singer-songwriter this country has ever produced. About The Artist Sandy Denny provided the original vocals, alongside Robert Plant, for the classic Led Zeppelin song *The Battle Of Evermore*. Island Records released a limited edition nineteen CD retrospective of Denny's work in 2010. "She was a perfect British folk voice" - Pete Townshend. "My favourite singer out of all the British girls that ever were" - Robert Plant. About The Author Clinton Heylin is one of the most respected rock historians writing today. He is the author of acclaimed biographies of Bob Dylan, Sandy Denny and Van Morrison. He was nominated for the Ralph J. Gleason award for his *Bob Dylan: The Recording Sessions*.
