My best advice: get it!!!! and read it!!!! and PLEASE, PROVE ME WRONG!!0 of 0 people found the following review helpful. Charles Dickens and Wilkie Collins combine forcesBy Ria B.This novel was a joint effort by the authors and friends Charles Dickens and Wilkie Collins. Although it is a nice story and definitely entertaining to read, I can't help but find it a diluted version of the quality of both authors.0 of 0 people found the following review helpful. Many unexpected turns!By ClaresnyOnly Wilkie Collins could come up with so many twists of fate in a story. At one point in great disappointment at one of these I had almost decided not to finish the book! Finish it... The ending is rewarding!

Charles Dickens and Wilkie Collins were two of the greatest British authors of the 19th century. They collaborated on a few projects as well. This edition of *No Thoroughfare* includes a table of contents.
