Noël Coward : Noël Coward Collected Verse (Coward Collection) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Noël Coward Collected Verse (Coward Collection):

This volume brings together Coward's celebrated verse, from snappy epigrams to seven-hundred-line short stories such as 'PO 1930' and 'Not Yet the Dodo'; from moving war-time encounters to satirical barbs at familiar Coward targets; and from personal reminiscences to occasional verse such as his tribute to Ivor Novello or his counter-attack on

Graham Greene. Includes an introduction by Martin Tickner and Coward's long-time companion, Graham Payn.
