Clark Wissler : North American Indian Beadwork Designs before purchasing it in order to gage whether or not it would be worth my time, and all praised North American Indian Beadwork Designs:

0 of 0 people found the following review helpful. Good collection book!By poopsieNot quite what I expected,not alot to it. It did have some good ideas!3 of 3 people found the following review helpful. Extremely useful bookBy M. BoydVery informative concerning the meaning of designs. Terrific resource for those wanting to compose their own designs. My only complaint is that the photos are not in color but that is a small complaint.0 of 0 people found the following review helpful. Good InformationBy RoseThe book gives some of the history of beadwork among Native Americans. It also shows many of the designs and explains what their meanings are if any.

This concise volume documents a fascinating and unique art form mdash; Native American beadwork. Including examples of handiwork from Eastern woodlands and Plains Indians, the author offers a clear, illuminating discussion

of the origins, execution, and symbolism of Indian beadwork used to ornament belts, garters, pouches, and much more. Over 300 figures.
