William G. Hinkle PhD, Gregory S. Taylor PhD : North Carolina State Prison (Images of America) before purchasing it in order to gauge whether or not it would be worth my time, and all praised North Carolina State Prison (Images of America):

North Carolina's State Prison was typical of American prisons in the 19th century, but with an important difference. North Carolina put most of its inmates outside prison walls to work on road camps and prison farms for the purpose of getting useful work out of them. Opened in 1870, the prison in Raleigh housed only a fraction of the prisoners. Those inmates were for the most part too old, too sick, or too feeble to handle anything other than light institutional work

details. This book explores all three components of North Carolina's early prison system, including its use of prison chain gangs, and clarifies how a penitentiary differs from a reformatory, correctional institution, or community-based facility.

About the Author William G. Hinkle, PhD, has published five books: *School Violence, Careers in Criminal Justice, A History of Bridewell Prison, The Decisive Decade in the History of the Elmira Reformatory: 1867-1877*, and *Elmira Reformatory for Arcadia Publishing* in 2014. Gregory S. Taylor, PhD, an associate professor of history at Chowan University, is author of *James Larkin Pearson: A Biography of North Carolina's Longest-Serving Poet Laureate; The Life and Lies of Paul Crouch: Communist, Opportunist, Cold War Snitch; and The History of the North Carolina Communist Party*.
