**Barbara G. Louie : Northville, Michigan (Making of America)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Northville, Michigan (Making of America):

0 of 0 people found the following review helpful. Learning more about homeBy Barbara PaulgerI love it . My Grandma and Grandpa graduated from Northville High School in 1903, me 1959. Great Grandpa worked at a mangle iron factory we had the ironer till 1997 when we moved here, FLA.0 of 0 people found the following review helpful. Five StarsBy MATT W.Lots of great info!0 of 0 people found the following review helpful. Great book of NorthvilleBy cannergirlI have enjoyed this book very much. . The pictures are beautiful. I would recommend this for anyone interested in the history of Northville.

Located only a short distance from the cacophony and activity of Detroit's metro area, Northville has maintained its unique small-town charm and identity across the passing decades. Even before the town's official incorporation in

1955, Northville's citizens worked tirelessly to preserve their picturesque setting in rural western Wayne County, to maintain the elegant Victorian architecture in their homes and businesses, and to carve out a prosperous community, marked by excellent schools and a high quality of life. Northville, Michigan brings to life, through word and image, the different events and eras that shaped this small town's history and recalls the area's notable personalities and influences, such as auto industry legend Henry Ford, aviation pioneer Eddie Stinson, and Wayne County Road Commissioner Edward Hines, and their impact on the general character of the community. Most importantly, this volume highlights the everyday person's existence in the Northville of yesteryear, providing today's readers a rare opportunity to glimpse into the lives and worlds of their ancestors and to experience firsthand how they worked, how they worshiped, and how they played.
