**Lucy Kirkwood : NSFW (NHB Modern Plays)** before purchasing it in order to gage whether or not it would be worth my time, and all praised NSFW (NHB Modern Plays):

Lucy Kirkwood's sharp comedy looks at power games and privacy in the media and beyond. Carrie's getting them out for the lads, Charlotte's just grateful to have a job, Sam's being asked to sell more than his body, and Aidan's trying to keep Doghouse magazine from going under. Set in the cut-throat media world, Lucy Kirkwood's timely new comedy

exposes power games and privacy in the age of Photoshop. [NSFW = Not Safe For Work, online material which the viewer may not want to be seen accessing in a public or formal setting such as at work.]

"Kirkwood's writing is intelligent, insightful and rings with one-liners and zippy exchanges." - Arts Desk "A cracking piece... dramatically gripping... a richly absorbing and inventive play." - Telegraph "Timely, provocative... studded with moments of outrageous humour." - Evening Standard
