Ben Fortson : Nutshell History of North Carolina, A before purchasing it in order to gage whether or not it would be worth my time, and all praised Nutshell History of North Carolina, A:

0 of 0 people found the following review helpful. I highly recommend Ben Fortson's new work on the history of North ...By CustomerI highly recommend Ben Fortson's new work on the history of North Carolina. Ben selected an interesting variety of historical events to share with his readers. The book is built in a way that would allow you to enjoy it one short story at a time; I could not put it down, finishing it on the back porch over a rainy weekend! No matter if yoursquo;re a NC native or you got to NC as fast as you could, yoursquo;ll enjoy this great read.0 of 0

people found the following review helpful. You will love this book!By K. SimmonsFantastic book, written so you want to read it!!0 of 0 people found the following review helpful. Fun, ConciseBy CustomerInteresting, Fun, Concise, Memorable. It would be awesome to have this for every state!

From its dubious beginnings as a pirate-filled colony to a popular tourist destination, North Carolina has an amazingly colorful history. Author and illustrator Ben Fortson presents that history in the form of off-the-wall anecdotes, poignant insights and sublimely silly illustrations. Take a hilarious look at Daniel Boone's larger-than-life Carolina personality. Peruse an uproarious account of the Andrew Jackson birthplace controversy or politically astute commentary on the power of tobacco in the state. Fortson takes readers on a side-splitting and educational ride through the annals of Tar Heel State history.

This will be the most fun North Carolina history book you will ever read, and it will have many students across the state wishing it were part of the curriculum. In his *A Nutshell History of North Carolina*, Ben Fortson travels from the state's piratical beginnings to its growth as the *The New Old North State* via 2015. Told and illustrated in a series of humorous and entertaining vignettes, Fortson shows a flair for the funny and education. *Mountain Times* "From its dubious beginnings as a pirate-filled colony to a popular tourist destination, North Carolina has an amazingly colorful history. In *A Nutshell History of North Carolina*, author and illustrator Ben Fortson presents that history in the form of off-the-wall anecdotes, poignant insights and sublimely silly illustrations. Take a hilarious look at Daniel Boone's larger-than-life Carolina personality. Peruse an uproarious account of the Andrew Jackson birthplace controversy or politically astute commentary on the power of tobacco in the state. Fortson takes readers on a side-splitting and educational ride through the annals of Tar Heel State history." *Black Mountain News* "About the AuthorBen Fortson writes and illustrates *Almost Off the Record*, a zanily clever history comic (almostoff.com), and has published several books containing collections of his comics. Eager to expose the quirky and ridiculous plot lines of history, his most recent book, *A Nutshell History of North Carolina*, provides a rigorous and amusing portrait of his home state, complete with equally unorthodox illustrations. He lives in Black Mountain with his wife and three children.
