Annie Lockhart : Objects of Reflection: A Soulful Journey Through Assemblage before purchasing it in order to gauge whether or not it would be worth my time, and all praised **Objects of Reflection: A Soulful Journey Through Assemblage**:

19 of 19 people found the following review helpful. Creative InspirationBy Barbara Shallue**Objects of Reflection: A Soulful Journey Through Assemblage** isn't just a how-to book on assemblage art. While the author does take the reader through the assembly process on several pieces, it's more an explanation of why certain pieces are chosen, what they represent, why they are assembled the way they are, and the emotions and feelings that they trigger than a step-by-step lesson. It is more a book about finding and releasing your creativity...emphasized by inspiring quotes, autobiographical vignettes, beautiful poetry and encouraging words from the author explaining each creation journey...encouragement that will inspire any artist - visual, literary or musical - to move forward on their own creation journey.3 of 3 people found the following review helpful. just okBy Grace Ann PolonIt felt like the artist didn't really want us to see a close

step by step view of what she did. Unfortunately I didn't understand the complete concept of this book before I purchased it. I wasn't counting on the psychological guidance portion and didn't really need that much at all. 1 of 1 people found the following review helpful. Save your money. By The Wizard Another book where the cover is the most interesting project.

Use souvenirs, keepsakes and everyday objects in your own brand of storytelling. *Objects of Reflection* brings you a new form of visual journaling that of assemblage by creating art that is extremely personal and evokes your fondest memories. Inspiration pours from every page as author Annie Lockhart takes you on a journey inside of her own heart, sharing her stories for building pieces with tiny treasures and common objects. Specific elements of each project are displayed in a legend, detailing what each object symbolizes and will have you thinking about what similar objects might represent to you. In addition to providing insight on her own art-making process, Annie will guide you through her favorite step-by-step techniques for attaching elements with simple materials like string, wire and tape; aging objects to give them a bit of charm; adding texture with modeling paste and more. Dare to color outside the lines. Discover a new way to tell your own story and start using objects as "words" today. You'll also receive insight on valuable lessons such as: Quieting your harsh inner critic Seeing the beauty in objects that are broken Looking at the things you love with new perspective Realizing art need not be permanent to be enjoyed

About the Author In addition to assemblage, mixed-media artist Annie Lockhart enjoys photography, painting and writing. She has taught painting and assemblage workshops in Italy, at Artfest, Valley Ridge and now at her home studio in Weston, MO. Her work has appeared in *Belle Armoire* and *Somerset Studio*. More examples of her work can be found at www.annielockhart.typepad.com.
