Ocean City History and Photos.By Glenn1104If you have ever visited Ocean City N.J. and wondered what it looked like in the "good old days" this book is a must. It is interesting to see in old pictures how the town grew and what stood on familiar streets back in the day.0 of 0 people found the following review helpful. Ocean City, which calls itself Americas Greatest Family Resort, is today best known for its wide, clean beaches and a yearly bayfront celebration called the Night in Venice. Founded in 1879 as a Christian seaside resort, the island community still maintains some of its early traditions including prohibiting the sale of alcoholic beverageswhile

striving to continue its long-standing reputation as a family-oriented resort. This remarkable new photographic history features such historic sites as the home of the town's first resident and famous old-time restaurants like Chris, Hogates, and Watsons. Several rare pictures of the shipwrecked *Sindia* and its cargo are also included, as well as photographs of Ocean City's most well-known citizens, Princess Grace Kelly and author Gay Talese.
