And what more can be written about "Of Mice and Men" other than it is one of the powerful and moving pieces of literature in the English language.HIGHLY recommended0 of 0 people found the following review helpful. Five StarsBy James BenningtonI am hooked on Steinbeck. His books come

alive. 1 of 1 people found the following review helpful. Great books By Bert Ventura As with any Steinbeck novel, these are two masterpieces. *The Moon is Down* is an uplifting story about how the human spirit can overcome anything. *Of Mice and Men* is a story about friendship and ultimate sacrifice. Very good reads.

Two devastating short novels adapted for the stage by Steinbeck himself This Penguin Classics edition celebrates Steinbeck's dramatic adaptations of his most powerful short novels, *Of Mice and Men* and *The Moon Is Down*, featuring a foreword by award-winning actor James Earl Jones. *Of Mice and Men* represents an experiment in form — as Steinbeck put it, “a kind of playable novel, written in novel form but so scened and set that it can be played as it stands.” A rarity in American letters, it achieved remarkable success as a novel, a Broadway play, and three acclaimed films. *Of Mice and Men* received the New York Drama Critics' Circle Award for Best Play in 1937-1938. A number of acclaimed actors have interpreted the iconic roles of George and Lennie for stage and screen, including James Earl Jones, John Malkovich and Gary Sinise. *The Moon Is Down* uncovers profound, often unsettling truths about war and human nature. It tells the story of a peaceable town taken by enemy troops, and had an extraordinary impact as Allied propaganda in Nazi-occupied Europe. This Penguin Classics edition of the theatrical adaptations of Steinbeck's two classic short novels is essential to actors, playwrights, filmmakers and directors studying the dramatic work of the Nobel Prize winning author of *The Grapes of Wrath* and *East of Eden*. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
