Cover came all creased where they had just thrown it in the box. That's very disappointing however the content of the book is excellent.2 of 2 people found the following review helpful. I have enjoyed reading this cookbookBy WrennieI have enjoyed reading this cookbook. It's more than just recipes. I have only tried one recipe which was a cake. This was divine! Only thing I would do next time is cut the icing in half. It kept running over my dish which was the correct size she said to use. I have more of the recipes on my list to try.0 of 0 people found the following review helpful. Five StarsBy CustomerTried recipes and family liked them. Enjoyed this cookbook!

A down-home Southern cookbook by one of the founding members of the platinum-selling country music band Little

Big Town and star of the popular cable show *Kimberly's Simply Southern*. Kimberly Schlapman is the girl next door. She's also an award-winning Nashville superstar and the popular host of *Kimberly's Simply Southern*, her delightful hit television cooking series. Fans have fallen for Kimberly's easy confidence in the kitchen and effortless way she entertains. They love her cooking the same way they've swooned over her high harmonies singing with country music powerhouse Little Big Town. In *Oh Gussie!*, Kimberly shares soul-pleasing recipes and soul-stirring stories from her roots in the Appalachian foothills of north Georgia, her travels on tour with the band, and from the life she loves back home in country music's capital. Kimberly's cooking style embodies modern, wholesome, Southern home-cooking—fresh, accessible, nutritious, quick, and fun. With *Oh Gussie!*, fans can whip up a batch of Georgia Peach Salsa for a tailgate party; bring a pot of Kimberly's Chicken and Dumplings to the next neighborhood potluck; serve some Baked Onion Rings with Hot Ranch Dip for the big game; sweeten up a weekend brunch with Sticky Cinnamon Rolls; and finish off a satisfying meal with bowls of Big Batch Banana Pudding. Filled with gorgeous color photos that capture the flavor and fun of her delicious food, *Oh Gussie!* honors Kimberly's beloved Georgia mountain-home cooking and serves up helpings of her favorite foods from Nashville as well.

From the Back Cover *Oh Gussie!*, am I thrilled to share my first cookbook! I love cooking for folks about as much as I love to sing. Nothing warms my heart as much as being with family and friends around a table sharing a meal. In my book, getting the whole gang in the kitchen together to cook is about as much fun as you can have. I grew up in the Appalachian foothills of north Georgia, where summers were filled with fresh peaches and sweet corn, fall was apple-harvest time, winter brought collard greens, and early peas signaled spring had arrived. My loving grandmothers and mother made thoughtful use of the bounty and taught me a lot about love and life as they passed down family recipes. I'm so happy to share family recipes for Maw Maw's Biscuits, Gram's Sheet Cake, and New Bride's Vegetable Beef Soup with y'all. I make my home in Nashville now, and spending time in the kitchen with my daughter is one of my greatest joys. We'll whip up Blueberry Cornbread Cupcakes, Crazy Daisy's Squares packed with butterscotch and pecans, or a big pitcher of orange Dreamsicle Punch, getting tickled the whole time. When cooking for the family, Chicken and Herb White Pizza, Three-Alarm Enchiladas, and Pork Tenderloin with Slow-Cooked Applesauce makes everybody happy and full. Celebrating with my bandmates from Little Big Town is always a good ol' time! Whether I'm cooking up Pineapple Casserole to take on the tour bus, baking a Chocolate Cherry Cola Cake for a birthday, or fueling late-night recording sessions with honey-and-vanilla-drizzled Fruit and Cheese Kebabs, we spend a good deal of time tapping our toes and licking our lips. We Southerners love our sweets and treats, and speedy Lazy Woman's Strawberry Pie, Fresh Glazed Apple Cake, and fluffy meringue-topped Grandmother's Coconut Pudding are sure to fit the bill! In these pages I've gathered heirloom family recipes, updates on Southern classics, and some quick dinners for modern families on the go. Let's sit a spell and enjoy a good visit in the kitchen!
