William Lee Younger : Old Brooklyn in Early Photographs, 1865-1929 (New York City) before purchasing it in order to gage whether or not it would be worth my time, and all praised Old Brooklyn in Early Photographs, 1865-1929 (New York City):

0 of 0 people found the following review helpful. Helpful with Family Tree ResearchBy LW_NMThis book has brought to life many scenes from my family's past in Brooklyn during the 1800s. I've been doing family tree research, looking extensively at Census records. Those records provide street addresses and general areas within Brooklyn, but this book adds the missing visuals that bring it all into context. Excellent photo collection.0 of 0 people found the following review helpful. Super photos!By Frances BrunnerIf you are interested in what Brooklyn was like before it turned into the hipster mecca of today, you will be fascinated by this excellent book. I've had family living in Brooklyn from the early 1900s until fairly recently, and was myself astonished at the wonderful photos of so many things I had never known existed.0 of 0 people found the following review helpful. Five StarsBy john albanesevery intersting

157 photographs, many never before reprinted, show the vitality and variety of old Brooklyn, Manhattan's first suburb: waterfront, Brooklyn Bridge, Fulton Street, Brooklyn Heights, Ebbets Field, Luna Park, Gravesend Race Track, Sheepshead Bay, Manhattan Beach Hotel, and more from the Long Island Historical Society collection.
