Katy Wix : The Oberon Book of Comic Monologues for Women (Oberon Modern Plays) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Oberon Book of Comic Monologues for Women (Oberon Modern Plays):

enough"By DesignGirl!This has a good amount of modern monologues with a British feel to them which is, unfortunately, really hard to find. They're not fantastic (nothing made me laugh, and they're supposed to be comedic), but many are "meh" to "maybe good enough." It was really disheartening when I found a grammar error in the book! One monologue has the line, "you're neck may have thickened out..." Having such an egregious error doesn't leave me with a feeling of confidence that these were thoughtfully written or edited. It rather makes the book feel it was quickly shat out.0 of 0 people found the following review helpful. Brilliant but sometimes inappropriateBy Georgina O.I found some brilliant monologues in here but be aware that some of the subject matters and language may be inappropriate for some auditions. Otherwise a funny and daring book for monologues!0 of 0 people found the following review helpful. Not American but funny if you like British humorBy Jennifer LyonIt's for Great Britain only. I've tried but there are too many local references to make these fir an American audienxe. The author or description may have said that but I missed it if it did.

'So Katy Wix has written this book of comic monologues and I may have to steal some of them. Although written for the female voice, I dare say they would stand up very well if you were a gentleman and changed the odd word or two. Here you have a book filled with brilliant characters and much funny. Each piece is bubbling with the quirky genius that makes Miss Wix one of the funniest performers / writers around.If I was ever called to audition, which I am not often despite being largely available and willing to try my hand at most things, I would be most grateful to Miss Wix for this fantastic collection. However most likely I shall keep it by my bed to dip into for laughs.It is a very good read.Well done Miss Wix.'Jennifer Saunders There are many monologues books on the market but very few provide rich material for comedy. This collection from up and coming comedian actress Katy Wix plugs that gap and provides female performers with the kind of wonderfully warm and interesting characters that they need ndash; and deserve.A comedian and writer, Wix has for the past few years been writing audition speeches for students at drama schools including RADA, LAMDA, Drama Centre and The Royal Welsh College of Music and Drama. A book of contemporary comedy monologues does not exist for today's actor or indeed a book comprising solely of showcase speeches. This is a collection of very funny and original audition speeches filling a significant gap in the market: made up of monologues for various age ranges, each with a running time of two to three minutes. The brevity in length makes these ideal for auditions or showcases and the variety in age and style encompasses different comedic approaches; from the very quirky to the more traditional ndash; perfect for every type of performer.

About the AuthorKaty Wix is a highly gifted and versatile actress and writer, best known for her performance as Tim Viner's ditzy girlfriend Daisy, in the critically acclaimed BBC1 sitcom, Not Going Out, and has also been a regular character on the hit BBC One drama Torchwood and the BBC Two comedies Outnumbered and Miranda.
