**Brendan Gallagher : The Open Tuning Chord Book for Guitar** before purchasing it in order to gage whether or

not it would be worth my time, and all praised The Open Tuning Chord Book for Guitar:

By Stephen Smith Not as comprehensive as I might have liked, but I'm just starting to explore open tuning and this is a competent starting point at a reasonable price. 0 of 0 people found the following review helpful. Five Stars By Dan This is a quality book and great addition to my guitar library. Thank you. 0 of 0 people found the following review helpful. No Open E Tuning By Sprkster Covers open D and open G, but not Open E, something that isn't very clear.

Provides an introduction to the two most popular open tunings with 312 chords for open D and open G Guitar by Brendan Gallagher. Includes useful tips on tuning and string set up. Features music scores for four songs using open tuning chord shapes. Includes a glossary of favourite chords and recommended listening.
