Can't recommend enough. Kudos to Mr. Rea and hope to read more of his work in the future.1 of 1 people found the following review helpful. Five StarsBy Connor H. Smith, IVEvery Actor needs this book!

Drawing on Ken Rea's 30 years' teaching experience and research, as well as interviews with top actors and directors, *The Outstanding Actor* identifies seven key qualities that the most successful actors manifest, along with practical exercises that help nurture those qualities. Featuring contributions and insights from Ewan McGregor, Jude Law, Judi Dench, Al Pacino and many more, *The Outstanding Actor* gives you techniques that you can immediately put into practice in rehearsals, classes or private preparation. It also shows you how to increase the chances of having a more successful career. 'Ken taught us to be dangerous, to abandon any sense of failure and to take risks; that's where to find creativity. A lesson we can never stop learning.' Orlando Bloom 'The classes with Ken at Guildhall, I consider to be the most important part of the acting training. They are exercises in patience, unpredictability and encouraging students to make utter fools of themselves; vital for any actor embarking on a life in the profession.' Michelle Dockery 'Ken's classes were some of the most interesting that I was lucky enough to attend at drama school. He opened the mind to what acting could be.' Ewan McGregor Includes a foreword by Damian Lewis.

'This is a wonderful book with a unique take on how actors can get better and improve their chances of success. If we can all perform with half the warmth and generosity with which Ken has been teaching for the last 30 years, then we will have fulfilled our responsibility as story tellers and audiences all over the world are in for a real treat.' Damian Lewis, Actor 'A handy resource for the struggling young actor, and something that will make him or her feel empowered.' Melia Bensussen, Chair, Performing Arts Department, Emerson College, Boston 'This is a wonderful book with a unique take on how actors can get better and improve their chances of success.
