Maybe it won't be an eye-opener as much of it is well known, but it is still very handy to have all the insight gathered in one place0 of 0 people found the following review helpful. Great book!By Sara BurrageThis is a great book if you're in the stages of deciding whether or not to become a professional photographer. The author explains both the pros and cons of beginning your own business and what to expect along the way. Orenstein provides helpful tips and techniques without leaving a single detail out. You will be fully prepared to jump right in the business world of photography after reading this book!0 of 0 people found the following review helpful. One StarBy Robert M. Sawin IIIDoesn't help at all.
