Garin Horner : The Photography Teacher's Handbook: Practical Methods for Engaging Students in the Flipped Classroom (Photography Educators Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Photography Teacher's Handbook: Practical Methods for Engaging Students in

the Flipped Classroom (Photography Educators Series):

The Photography Teachers' Handbook is an educators' resource for developing active, flipped learning environments in and out of the photo classroom, featuring ready-to-use methods to increase student engagement and motivation. Using the latest research on the cognitive science of effective learning, this book presents groundbreaking strategies to inspire students to collaborate, explore, and internalize photographic principles and concepts. The innovative practices in this book reimagine the traditional, scholarly pedagogy into a dynamic, teacher-guided, learner-centered approach. Key features include: Step-by-step instructions that explain how and why to flip a photography classroom Hands-on exercises and activities to help students take charge of their learning experience Practical advice from more than 100 respected photography educators An interactive companion website with informative videos, links, and resources for students and educators alike
