This is the perfect book if someone in your house happens to play the piano and someone else happens to play cello. For the solo pianist it doesn't sound much like the song because often in their music the cello has the melody. They are beautiful songs regardless. I just wish it could stand up more on its own.1 of 1 people found the following review helpful. my cello player loves this bookBy L. LapioMy son primarily plays cello, but also took a couple years of piano lessons. He enjoys playing the cello part. It is challenging, but not too challenging for him. The piano part is over his skill level though.I would recommend both for upper-intermediate to advanced level. This is definitely not a beginner's book.The songs are identical to the ones that The Piano Guys play in

concert. They might've slightly simplified the arrangement and of course, it is missing the improvising that we enjoyed in their performance. The songs are great, and you will enjoy playing/listening to them. The Piano Guys have several YouTube videos playing the songs from this book. I would recommend searching for them and listening to them if you are curious about what the songs will sound like. 7 of 7 people found the following review helpful. Amazing Songbook By Luke Bates This is an excellent piano book. Not some unskilled pianist and cello book. If you have not been trained to play music, this book is not for you. This is an extremely difficult song book but it also contains extremely beautiful songs.

(Personality). The Piano Guys started as YouTube sensations with their clever and inspiring takes on popular music and the creative videos that accompany them. Their YouTube Channel is one of the most popular in the world with nearly 2 million subscribers and hundreds of millions of views! Their eclectic mix of classical, film score, rock and pop favorites resonates with audiences across generations and from all walks of life. Their two albums have both topped the Billboard New Age charts. Here are piano solo arrangements of ten favorites as performed by The Piano Guys from both of those albums: All of Me * Arwen's Vigil * Begin Again * Bring Him Home * Can't Help Falling in Love * Home * Just the Way You Are * Michael Meets Mozart * A Thousand Years * Twinkle Lullaby. Six of the pieces also include the separate cello parts.
