I've got a family that loves to sing along to this operetta, and this makes it possible to have everyone doing a part with the right words. I got 3 copies. This is not a score: it's just lyrics, but that's just what I wanted! Lots of fun!0 of 0 people found the following review helpful. Great scoreBy Todd Egreat great great great great great great

great great great great great great great great great greatNothing bad love opera people should go see more of it1 of 1 people found the following review helpful. Three StarsBy CustomerDisappointed that it was not the full score. Should probably check return policy.
