Oscar Wilde : The Plays Of Oscar Wilde before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Plays Of Oscar Wilde:

0 of 0 people found the following review helpful. which is the one that is invariably used on stage and in film -- and with good reason: it is funnier. By Customer Wilde first published the "Importance of Being Ernest" in a 4 act version. He later revised it into the standard 3 act version, which is the one that is invariably used on stage and in film -- and with good reason: it is funnier, better written, and more quickly paced. Unfortunately this kindle version is the inferior 4 act version. So . . . go for the real thing and buy another version. 0 of 0 people found the following review helpful. So far I have enjoyed "An Ideal Husband" and "The Importance of Being Ernest". By Lou I saw the 1947 movie "An Ideal Husband" and just had to read the play. This book includes a lot (all?) of Oscar Wilde's plays. So far I have enjoyed

"An Ideal Husband" and "The Importance of Being Ernest". Both are light and witty, fun to read. 1 of 1 people found the following review helpful. UnexpectedBy BethansenThis wasn't what I expected, but it's just as wonderful. The book is from the 1930s and I feel a reverence to not use it. I probably would have still bought knowing the year, but I definitely will not bring it places I would have brought a newer book.

Featuring the entirety of Oscar Wilde's dramatic works, this collection demonstrates the author's wide range, unerring wit, and unique perspective. Bringing together Wilde's most famous plays, including *The Importance of Being Earnest*, *An Ideal Husband*, and *Lady Windermere's Fan*, along with rare and incomplete dramas like *Salome* and *Vera*, this compendium is an important resource for any fan or student of Wilde's dramatic works. Often considered ahead of his time, the plays of Oscar Wilde continue to resonate with modern audiences and many have been adapted for film and television, including the 2002 film *The Importance of Being Earnest*, starring Judi Dench and Colin Firth. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms.
