Michael J. Wood : The Popular Writer's Code before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Popular Writer's Code:

0 of 0 people found the following review helpful. Excellent Scriptwriting Reference BookBy DThis book is a great script writing tool. Succinctly written yet packed with so much information and examples that'squo;ll it'squo;ll form part of my reference library and be constantly referred to. Its easy to read and understand building blocks integrate into a comprehensive step by step process from beginning to end. Well-presented and very explicit covering all aspects of scriptwriting. An excellent reference book for beginner and professional alike.1 of 1 people found the following review helpful. "A Must Read"By Brian GalwayThis is a must read for all screenwriters. Gives you straightforward advice to help put the necessary touches on your creative masterpiece to make it "Hollywood" ready. In this book, Michael Wood shares his own professional experiences and all that he learned @ USC's prestigious School of Cinematic Arts. We are blessed to be writers. Reading this book may just be the necessary ingredient to propelling your writing career forward.Brian Galway

If you want to write a best-selling novel, a popular movie, or an addictive TV show, it makes the most sense to learn the tricks of the writers who have written them. *The Popular Writer's Code* analyzes novels, TV series, and movies that were commercial phenomenons. The book breaks down the techniques of these blockbusters and bestsellers, teaching you clear, practical methods to help you write your own blockbuster or bestseller - as well as showcasing real-world lessons from Hollywood the author, writer and industry professional Michael J. Wood, learned the hard way.
