**Henry Rollins : The Portable Henry Rollins** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Portable Henry Rollins:

0 of 0 people found the following review helpful. Great perspectivesBy KieranI have been following Henry's post-black flag career since I was in college. He has dealt with a lot of depression throughout his life, and uses his writing to let it out (sometimes with very graphic/violent descriptions). His writing style is informed by some great writers of the past and I'm convinced that being able to articulate your negative emotions (rage, anger, frustration and depression) is a great way of getting through them without saying hurtful things to the people around you.1 of 1 people

found the following review helpful. ChameleonBy DavidI have known and enjoyed Henry Rollins since I fourteen, listening to Black Flag and then the Rollins Band, enjoyed his short lived tv show, watched his spoken word events, live and on YouTube and sampled his literature on occasion. However, this is the first time that I have read his work in a methodical, consecutive manner. Drinking it in, I found myself inspired, annoyed, educated, disappointed, enthralled, bored and at times, scratching my head. The one constant is that he is unfailingly honest in his writing.0 of 0 people found the following review helpful. Wow!By LordDagonI was more than pleased by this book. A combination of writings from Henry's works that give an inside look to his soul and thoughts. You won't be able to put it down.

Henry Rollins is an artist whose legendary, no-holds-barred performances encompasses music, acting, and written and spoken word. As Details magazine said when it named Rollins the 1994 Man of the Year: "through two decades of rage and discipline, Henry Rollins has transformed himself from an L.A. punk rocker into a universal soldier. His enemies: slackers and hypocrites. His mission: to steel your soul and rock your world."Rollins was frontman for the seminal punk band Black Flag, and since 1987 has led the Rollins Band, whose ninth album, Come In and Burn, was just released by DreamWorks.As a spoken-word artist, he regularly performs at colleges and theaters worldwide and has released eight spoken-word audiotapes. His album Get in the Van won the Grammy for Best Spoken Word Album for 1995. As an actor, he has appeared in The Chase, Johnny Mnemonic, Heat, and David Lynch's forthcoming film, Lost Highway. From his days as front man for the band Black Flag and the current Rollins Band to his books and spoken-word audiotapes, Henry Rollins is the music, the attitude, and the voice that takes no prisoners. In his twelve books, he has led us on a hallucinatory journey through the decades--and his mind--with poems, essays, short stories, diary entries, and rants that exist at "the frayed edges where reality ends and imagination begins" (Publishers Weekly). For the first time, the best of his legendary, no-holds-barred writings are available. This collection includes new photos and works from such seminal Rollins books as:High Adventure in the Great OutdoorsArt to Choke HeartsBang!Black Coffee BluesGet in the VanDo I Come Here Often?SolipsistPlus never before released stories and more...From the Trade Paperback edition.
