Family movie that has a messageBy CateybeckIt is an enjoyable family movie that has a message to those whose faith may dim from time to time. The acting is fine, no Oscar but I always feel good after watching it and the music by Whitney Houston displays some of her wonderful vocal ability. I watch it on those Saturday afternoons that you are just relaing and getting some pre-Christmas tasks done. Last time I watched I was addressing Christmas cards and sipping hot chocolate. :)3 of 3 people found the following review helpful. Loved singing this stuff!By Hilary B.
